Touring Club Switzerland

EuroTAP International Advisory Workshop, Brussels, 7th February 2006

EuroTAP 2005

Audits 2005:

- 6 tunnels tested within the TERN network in Switzerland
- 3 tunnels rated "very good", 2 tunnels rated "good", one rated "acceptable"
- Results highlight the very good standards of recent tunnels
- Results highlight the need to improve old tunnels
- Special mention for the Baregg Tunnel (1970-2003) rated "very good"
- National press release and publication in the Club magazine
- More than 2 million newspapers in circulation reporting on EuroTAP (Swiss population: 7.4 million)
- Excellent communication with the local & national road administrations

EuroTAP International Advisory Workshop, Brussels, 7th February 2006
